Experience

Web-App Developer

Soft-Poka

11/2022 - 06/2023

- Soft-Poka is a Bangladeshi software development company run by the Bangladesh National Cadet Corps. As a cadet of Bangladesh National Cadet Corps, I got the opportunity to join this company. Here, I have done almost all types of work, from website design to web application development.

And the tools I used here for these tasks are: [HTML5](#) | [CSS3](#) | [JavaScript](#) | [Bootstrap](#) | [Wix](#) | [WordPress](#) | [Elementor](#) | [SMTP](#) | [WooCommerce](#) | [cPanel](#) | [Figma](#)

Moreover, by joining here, I also got the opportunity to check my skills and improve them.

IT In Charge

Govt. Science College BNCC Platoon

04/2022 - 06/2023

- I served as the IT in-charge for my college platoon while I was a cadet. I handled all the cadets' data, including data entry, computer related office tasks, and various types of graphic design for managing social media.

The tools I used here for these tasks are: [Fotor](#) | [Vimeo](#) | [Adobe](#) | [Canva](#) | [Microsoft Office](#) (Word, Excel, PowerPoint etc)

And I possess experience in these domains too.
